Built on a strong foundation, Basic Marketing 18e with ConnectPlus and LearnSmart provides an integrated teaching and learning solution for presenting the four Ps framework and managerial orientation with a strategy planning focus. The Perreault franchise was the pioneer of the “four Ps” in the introductory marketing course. The unifying focus of Basic Marketing has always been on how to make marketing decisions in deciding what customers to focus on and how best to meet their needs. Consistent with our belief in continuous quality improvement, this edition has been critically revised, updated, and rewritten to reflect new concepts, new examples, recent “best practices,” and to tightly integrate the best digital tools in the industry for ensuring that students are prepared to engage in classroom lectures and pursue future business and marketing careers.

Death Stalks The Fairways! Behind the scenes of the Carolinas Open, golf writer Pete Hacker is confronted with the death of an up-and-coming star. Was his death an accident? Or was it murder? A drug-dealing caddie, a desperate golf groupie and a strange, Bible-thumping chaplain are just some of the characters Hacker encounters as he tries to sort out the truth. The story turns deadly when Hacker's own life is threatened. From the first tee to the last putt, this debut Hacker golf mystery (slightly updated and revised from the original published in 1991) is an exciting trip behind the ropes of professional golf.

City folk pass through one stop light towns often not understanding their charms. They shudder to think of ever living in such a hick address, away from the glitter, glamour, and sophistication of the American metropolitan sprawl. Surprisingly, while rural America is an endangered species, the people that dwell there face many of the same joys and heartaches as city folk. Only the context is changed. In the Snare of the Fowler is a reminiscence of life beyond the spotlight. The stories of the people-at Little League games, Easter Sunrise Services, funerals, high school graduations, county fairs-shed endearing light on life in our small towns. A city-dweller tells these remembrances when by a great surprise he became a parish pastor in just such a town. Rather than being horrified by the tiny dot on the map, he fell in love with the people, and the life in a one-stoplight town.
