English for Business Studies is a course for upper-intermediate and advanced level students who need to understand and discuss business and economic concepts.

This is a new self-study reference and practice book for advanced learners of English who need vocabulary for business and professional purposes. It has been carefully researched using the Cambridge International Corpus to ensure that the 2,000 new words and expressions represent the English that native speakers actually use. The book consists of 50 units and follows the highly successful format of the English Vocabulary in Use range with presentation material on the left-hand page and practice exercises on the right-hand page. It covers a wide variety of up-to-date business topics and concepts including: people and organisations; quality; strategy; marketing; IT and the Internet; ethics and globalisation.

A longtime Barron's handbook for use in the classroom as well as the office, this newly revised edition of "Business English" is better than ever.

This book is intended to support students in learning business vocabulary development, grammar, and the skills of listening, speaking, reading, and writing. At the end of this book, the students will be capable of getting either a B1 (intermediate level) or a B2 (upper intermediate level) in business standardized tests such as the Business English Certificate, Lingua Skills, etc.

Each Student's Book contains twelve modules divided into the core lessons of Business topic, Business skills and Learning strategies. This module division of material makes it flexible to the needs and requirements of each class. The class CD is packaged in the back of the book.
