He seems like such a nice man. You ’ d never guess what was going on in his mind...
Art history professor James Ostar has a hobby: he takes secret photographs of women to fuel more elaborate fantasies. When he ’ s alone. Behind locked doors. Then one day, he goes a step further and... well, one thing leads to another. Qatar has no choice. He has to kill her. And you know something? He likes it. When Deputy Chief Lucas Davenport takes the case, he assumes it ’ ll be straightforward police work. He couldn ’ t be more wrong. As the investigation trail takes some unexpected turns, it becomes clear that nothing is straightforward about this killer, his victims, or his motives. And to stop him Lucas has no choice but to walk right into his lair.
**WITH A NEW INTRODUCTION BY JOHN SANDFORD**

Years ago, Lucas Davenport almost died at the hands of Clara Rinker, a pleasant, soft-spoken, low-key Southerner, and the best hitwoman in the business. Now retired and living in Mexico, she nearly dies herself when a sniper kills her boyfriend, the son of a local druglord, and while the boy's father vows vengeance, Rinker knows something he doesn't. The boy wasn't the target-she was-and now she is going to have to disappear to find the killer herself. The FBI and DEA draft Davenport to help track her down, and with his fiancée deep in wedding preparations, he's really just as happy to go-but he has no idea what he's getting into. For Rinker is as unpredictable as ever, and between her, her old bosses in the St. Louis mob, the Mexican druglord, and the combined, sometimes warring, forces of U.S. law enforcement, this is one case that will get more dangerous as it goes along. And when the crossfire comes, anyone standing in the middle won't stand a chance... Filled with the rich characterization and exceptional drama that are his hallmarks, Mortal Prey proves that John Sandford just keeps getting better.

" The stakes are high, the characters rich, the action relentless " (Publishers Weekly) in this Lucas Davenport novel from #1 New York Times bestselling author John Sandford. The crime spree should have ended when Lucas Davenport killed the female bank robber during the shoot-out. But it ’ s just beginning, because the woman ’ s husband isn ’ t about to let Lucas—or anyone he loves—escape retribution.

Clayton Deese looks like a small-time criminal, muscle for hire when his loan shark boss needs to teach someone a lesson. Now, seven months after a job that went south and landed him in jail, Deese has skipped out on bail, and the U.S. Marshals come looking for him. They don't much care about a low-level guy--it's his boss they want--but Deese might be their best chance to bring down the whole operation. Then, they step onto a dirt trail behind Deese's rural Louisiana cabin and find a jungle full of graves. Now Lucas Davenport is on the trail of a serial killer who has been operating for years without notice. His quarry is ruthless, and--as Davenport will come to find--full of surprises. . .
