Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

S corporations, at present, are the largest tax filer in the United States of America. This book provides, in a single volume, a complete guide and reference tool for the tax practitioner to solve the many problems arising in regard to S corporate taxation. Code Sec. 199A generally allows shareholders of an S corporation a 20% deduction on S corporate income plus special rules for tangible property acquisitions. Because there were ambiguities in the statute, on August 8, 2019, the Treasury issued proposed regulations to interpret Code Sec. 199A. This 8th edition at ¶ 725 provides an extensive detailed discussion of the proposed regulations with many examples to explain the operation of Code Sec. 199A.

Globalization, sustainable development, and technological applications all affect the current state of the business sector in Asia. This complex industry plays a vital part in the overall economic, social, and political aspects of this region, as well as on a larger international scale. Managerial Strategies and Solutions for Business Success in Asia is an authoritative reference source for the latest collection of research perspectives on the development and optimization of various business sectors across the Asian region and examines their role in the globalized economy. Highlighting pertinent topics across an interdisciplinary scale, such as e-commerce, small and medium enterprises, and tourism management, this book is ideally designed for academics, professionals, graduate students, policy makers, and practitioners interested in emerging business and management practices in Asia.

Practical Guide to Partnerships and LLCs (12th Edition), by Robert Ricketts and Larry Tunnell, discusses the complex issues involving partnership taxation with utmost clarity. It uses hundreds of illustrative examples, practice observations, helpful charts and insightful explanations to make even the most difficult concepts understandable. The book reflects the authors' penchant for communicating the pertinent facts in very direct language and creating a context for understanding the multifaceted issues and applying them to practice.

For any first course in Federal Taxation at the undergraduate or MBA level. The Rupert/Pope/Anderson series is unsurpassed in blending technical aspects of the most recent federal taxation mandates with maximum readability and relevance for students.
