As an isolated island outpost, Martha's Vineyard faced some unique challenges during the American Revolution. Neutrality was maintained at the start of the war due to the impact of the British regulations on the fishing and whaling industries. While political expediency may have dominated the day, Vineyard Patriots protected their homeland against the Royal Navy and contributed to the revolutionary effort against marauding British redcoats. In 1778, two key events--one involving three young women and the second an armada of forty naval ships--crystalized the opinion of Vineyarders that they should no longer remain neutral to British incursions on the Island and, more broadly, on American soil. Join local author Tom Dresser as he reveals the unheralded contributions of islanders to the fight for freedom.

Provides leaders with a simple strategy to improve the performance of their teams through the calculating of "priorities," "who" and "relationships" and by increasing that total, realize more value, impact, earnings and overall success.

Commonwealth Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. It provides a broad overview of the foundation of various legal systems and goes on to examine the various areas of legal liability that may impact on business activities.
