Tillich further refined his conception of faith by stating that, "Faith as ultimate concern is an act of the total personality. It is the most centered act of the human mind ... it participates in the dynamics of personal life." An arguably central component of Tillich's concept of faith is his notion that faith is "ecstatic". That is to say:

Paul Tillich - Wikipedia

A signal contribution to the burgeoning field of comparative philosophy of religion, The Dynamics of Religion describes patterns of living faith in major world religions in a way which corrects misperceptions of them as archaic traditions trapped in the past.

Through research and "faith-life" stories, readers are encouraged to view growing in faith as a life-long process. Addresses key questions in an adult's faith life such as doubt, stages of growth, and more.

What does a Christianity constructed upon and pervaded by a theology of God's unconditional love look like? Aimed at a wide audience, A Faith Worth Living provides one portrait. Chuck Queen weaves together biblical interpretations, theological reflections, and spiritual observations drawn from stories, movies, literature, and common life experiences in his argument for an inclusive Christianity. In a simple, though scholarly informed style, he addresses Christians, students of religion, and spiritual seekers. Key elements of the presentation include: a transformative faith (holistic and non-dualistic), God's dream for the world (kingdom theology), Jesus' nonviolent atonement, the church as a kingdom community, universal salvation (judgment and the cosmic Christ), acceptance of other religious traditions, and the dynamics of a radical discipleship to the way of Jesus.

Attempts to show the religious dimension in many special spheres of man's cultural activity.

Dr. Tillich shows here that in spite of the contrast between philosophical and biblical language, it is neither necessary nor possible to separate them from each other. On the contrary, all the symbols used in biblical religion drive inescapably toward the philosophical quest for being. An important statement of a great theologian's position, this book presents an eloquent plea for the essential function of philosophy in religious thought.
