"The Raven" A narrative poem by Edgar Allan Poe. Published originally in January 1845, the poem has a musical quality with stylized language and a supernatural atmosphere. It speaks of a mysterious talking raven's visit to a distraught lover, depicting the man's slow fall into madness. The lover is lamenting the loss of his love, Lenore. Sitting on a bust of "Pallas", the raven seems to have a purpose of further instigating his distress with its constant repetition of the word "Nevermore". This poem makes good use of a number of folk and classical references.

The classic EDGAR ALLAN POE poem 'The Raven' also includes 20 original illustrations by GUSTAVE DORE and a 'Comment on the Poem' by EDMUND C. STEDMAN. 'The Raven' delves into the hidden horrors of the human psyche. Originally published in 1845, the poem is narrated by a melancholy scholar brooding over Lenore, a woman he loved who is now lost to him. One bleak December at midnight, a raven with fiery eyes visits the scholar and perches above his chamber door. Struggling to understand the meaning of the word his winged visitant repeats -- "Nevermore!" -- the narrator descends by stages into madness ..."

The Raven FULLY ILLUSTRATED Edgar Allan Poe Illustrated by Gustave Dore "The Raven" is a narrative poem by American writer Edgar Allan Poe. First published in January 1845, the poem is often noted for its musicality, stylized language, and supernatural atmosphere. It tells of a talking raven's mysterious visit to a distraught lover, tracing the man's slow fall into madness. The lover, often identified as being a student, is lamenting the loss of his love, Lenore. Sitting on a bust of Pallas, the raven seems to further instigate his distress with its constant repetition of the word "Nevermore." The poem makes use of a number of folk, mythological, religious, and classical references. Poe claimed to have written the poem very logically and methodically, intending to create a poem that would appeal to both critical and popular tastes, as he explained in his 1846 follow-up essay, "The Philosophy of Composition." The poem was inspired in part by a talking raven in the novel Barnaby Rudge: A Tale of the Riots of 'Eighty by Charles Dickens. Poe borrows the complex rhythm and meter of Elizabeth Barrett's poem "Lady Geraldine's Courtship," and makes use of internal rhyme as well as alliteration throughout."

In the Concluding remark I will summarize my results by trying to answer the questions if Poe's life influenced the story that is told inThe Ravenand why the poem may be so famous.

The Raven by Edgar Allan Poe Influenced by the English Romantic poets Samuel Taylor Coleridge, "Lord" George Gordon Byron, and Percy Shelley, Edgar Allan Poe represents one of the essential American Romantic poets of the 19th century. Romanticism here refers to a literary movement in the late 1700s and 1800s that focused on the emotional life of the individual and curiosity about oneself. This move complimented a broader geopolitical and ideological shift in the United States. Just as a young nation made its way to the West, its writers and philosophers explored the unknown territory of the human mind. Some romantic poets, such as the transcendentalist Ralph Waldo Emerson, saw the potential for positive revelations within the self. Reflecting his belief in the inherent goodness of people, Emerson's poetry highlights enchanting elements such as natural features, water, and light. Poe, on the other hand, was interested in probing the darkest depths of the human psyche. It uses gloomy gothic scenes and nightmare sequences to suggest that self-reliance and turning inward does not result in enlightenment, but rather in terror and anxiety. The human mind, Poe argues, does not need help from lurid exteriors: it is fully capable of creating horror from within. This theme of self-generated inner torment plays a prominent role in "The Raven." Poe's works defy categorization. They contain elements of detective fiction, gothic thriller, Victorian love poetry, and even comedy. He is sometimes credited with being the creator of the modern tale, and his stories, including "The Tell-Tale Heart," "The Fall of the House of Usher" and "The Cask of Amontillado" are among the best known in the world. literary. His critical views were also influenced, especially the idea that poetry should be musical, that it should focus on beauty over truth, and that it should uplift the soul. Poe especially wished to be known as a poet, although he only wrote about fifty poems in all. His narrative poem "The Raven" is his most popular work, although others such as "Annabel Lee" and "Ulalume" are also widely read. Poe's poetry features rigid rhyming schemes and stanza patterns. Its speakers are always unnamed males. Although it is tempting to read his poems as autobiographical, they are more likely to represent an exercise in subjective exploration of emotion, as did the works of other Romantic poets of his time. Poe speakers often embark on a literal journey or a journey of the mind. Starting from a place of rational credibility, they are gradually superseded and their emotions make them unreliable. "The Raven" fits this mold. The poem became so powerfully associated with Poe that the author himself is sometimes referred to as "the raven."
