Greg Stillson and Precognition,
Stephen King's The Dead Zone *End Zone Don Delillo*

End Zone is Don DeLillo's second novel, published in 1972.. It is a light-hearted farce that foreshadows much of his later, more mature work. [citation needed] Set at small Logos College in West Texas, End Zone is narrated in first person by Gary Harkness, a blocking back on the American football team during the school's first integrated year. Critics are divided on the literary merit of End Zone

End Zone - Wikipedia

"End Zone," Don DeLillo's second novel, isn't so much DeLillo primer as it is like a few strokes of some of the

Download Ebook End Zone Don DeLillo

themes DeLillo might (and in some cases will) touch on later. It's definitely not his greatest work and if you're new to his stuff I'd point you in the direction of something like "Libra" or "White Noise," both of which came later in DeLillo's career and (for me) pick apart more interesting subjects.

End Zone: DeLillo, Don:

9780140085686: Amazon.com: Books

Don DeLillo's *End Zone* is a curiously absurd book. It is as much about what's written within its pages - about football, about life, about identity, about solipsism - as it is about what's not said - the threat of the Cold War, the Vietnam War, the institutional racism that was (and remains) hidden behind the facade of niceties because people just don't know any better.

End Zone by Don DeLillo - Goodreads
About End Zone. The second novel by Don DeLillo, author of White Noise (winner of the National Book Award) and The Silence. At Logos College in West Texas, huge young men, vacuum-packed into shoulder pads and shiny helmets, play football with intense passion.

End Zone by Don DeLillo:

9780140085686 ...

Published in 1972, End Zone is award-winning American author Don DeLillo's second novel. End Zone follows college football star and self-proclaimed "exile" Gary Harkness as he embraces his two passions: football and total nuclear war. DeLillo is known for his skill at manipulating the intricacies of language.

End Zone Summary | SuperSummary

In "End Zone," more clearly than in "Americana;" this richly inventive new talent looks like a major one. Don DeLillo is 35 years old, and has never played organized football.

A beautifully made football novel about thermonuclear war ...

You may remember DeLillo's recent first novel Americana which never succeeded in getting it together although then, as again now, he seems to have at his natural command a kind of articulate mobility one cannot help but admire. This psychomythical (his word) abstraction is presumably about football but actually about speed ("speed is the last excitement left, the one thing we haven't used up ...

End Zone Summary | GradeSaver

Among oddly afflicted and recognizable players, the terminologies of football and nuclear war—the language of end zones—become interchangeable, and their meaning deteriorates as the collegiate year runs its course. In this triumphantly funny, deeply searching novel, Don DeLillo explores the metaphor of football as war with rich, original zeal.

End Zone by Don DeLillo, Paperback | Barnes & Noble®

Don DeLillo's second novel *End Zone* (1972), then, is Gary's first person account of a season of football at Logos, but in addition to depictions of

Download Ebook End Zone Don DeLillo

coaches, players, practices, and a climactic game, it's about much more than football. Logos means the Word of God, or the principle of reason.

End Zone by Don DeLillo | Audiobook | Audible.com

There were discussions about adapting End Zone, and DeLillo has written an original screenplay for the film Game 6. On November 30, 2009, DeLillo published a new short story, "Midnight in Dostoevsky", in The New Yorker magazine. It was his first short story published since "Still Life" in 2007.

Macmillan*

"End Zone" is packed with scenes of men shouting in elaborate code languages and with obvious symbolic tableau. Which is fine. Delillo is rarely a realist, and he's never one here. He's diagnosing the human condition down to the moment and the place. His books might leave America but they're always about this country, and "End Zone" is no exception.
