Torque Kendler, Sergeant at Arms of the Bantorus Motorcycle club, tenaciously safeguards his marked past. Shot twice by Los Li and nearly killed last year, he wants to hold on to the familiar and retain his freedom. However, there are too many changes happening in Pitnam for him to trust anyone...especially the new chick managing the bar that's giving him attitude and consuming his thoughts. Sent by Los Li to work at a biker bar called Cactus Cove, Brandy Haas expects to get the information she came for and save her dad from the Mexican mafia. Worried about her dad, struggling at her job, and scared of failing again, she adds to her problems by lusting after the most dangerous biker in the MC. One biker, one hothead, one wonderful gift Torque unknowingly gives her could destroy everything she's trying to protect.

"If you're looking for a romance filled with action, turf wars, hot bikes, and even hotter men, look no further, because Breathing His Air has it all. Rain is the ultimate dominant hero. No one does alpha quite like Debra Kayn!" --M. Malone, bestselling author of One More Day (The Alexanders) She is love advice in a coffee shack, he's protection in a biker bar. When her past meets his present, it's a killer cocktail that might get them shot, stabbed, or otherwise dead. Tori Baldwin spends all her time traveling the states, running a mobile coffee shack, and handing out love advice with every cup. She's staked her rig in the parking lot of Cactus Cove--a local biker bar by all appearances--and plans to stay put for three months. Just long enough to make some money, without making any friends, before she moves to her next destination as she tries to stay ahead of a painful past. Rain Brookshire is the leader of the Bantorus motorcycle club, and owner of the Cactus Cove in the small town of Pitnam, Washington. He wants the Lagsturns, a rival-bad-news motorcycle club, to leave town before they infect his town with trouble. With bullets flying and the Lagsturns putting on the pressure, the only way to keep Tori safe--since she refuses to leave town--is for Rain to claim her as his woman. She has no idea that Rain's played his hand for all to see in the biker world. It doesn't help that Tori exhibits the three ideal classifications of his ideal woman--Classy, Sexy, and a total Goof--and he can't help but posture and lay down the law. But, when it appears Tori's life is in danger, and the Lagsturns are innocent, he isn't going to let the law stop him from keeping his woman safe. Sensuality Level: Sensual

Wild women, good times, and easy rides allow Ink to hide the emotional ties he has with Lilly, the daughter of the president of Bantorus Motorcycle Club. With two warnings to stay away from Lilly on his record, his addiction swings wildly out of control and he can no longer bury the past. Lilly's forbidden love for Ink has survived her childhood straight to adulthood. This time, she wonders if it wouldn't be best to point her boots toward Pitnam and live the rest of her life knowing she'll never have the one man she loves.

Slade Ramchett, vice president of the Bantorus Motorcycle club, has failed his two boys, his woman, and his club. Between battling with his ex-wife and her gambling addicted husband, Los Li shooting at his old lady, and the merge of colors with a rival MC, Slade's ready to go out fighting before the madness infects everyone he loves. After working years at Cactus Cove, Taylor can't imagine life without Slade or the club. She's definitely done keeping their relationship secret. When Slade's world is ripped away from him, she'll help him anyway she can...including blackmail and putting her life on the line.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.
