Church of God Study Guide: A Monotheistic, Sabbath-Observant View of the Scriptures promises to reward its dedicated readers with a deepened understanding and appreciation of the oneness of God the Father, the obedience of Yeshua, his chosen servant, the centrality of faithful Sabbath-keeping in the lives of believers, and the dependability of the truths contained in the Scriptures. Church of God Study Guide: A Monotheistic, Sabbath-Observant View of the Scriptures presents the basic doctrinal beliefs of the Church of God, a body of believers who keep the commandments of God the Father, Yehovah, and follow the example of Yeshua, the Lord Jesus Christ. Point of view is the most important element of story craft for any writer to understand. A story's point of view is the first thing a reader encounters, whether aware of it or not, and it defines the story. That means the wise writer will learn to control her story's point of view from word one. Fortunately for wise writers everywhere, author, writing coach, and renowned editor Alida Winterheimer takes a hands-on approach to this behemoth of story craft. In The Story Works Guide to Writing Point of View, she breaks the whole into manageable parts and delves deep, providing loads of examples that make the abstract concrete and the intangible tangible. In each chapter, Alida provides you with exercises designed to guide you to mastery. You'll come away from reading this book with an understanding of point of view and how it functions in any story, but most importantly, how it functions in your stories. "Those of you who agonize over point of view decisions have in front of you the definitive guide to point of view you've always wanted. Not only will Alida teach you how to improve your handle on first and third person and every variation between, but you'll also find that her lessons take some of the fear and pain out of the writing process by helping you understand why to make certain choices, how to avoid common pitfalls in point of view, and how to use your strengths to your advantage. For the other type of writer, those driven by instincts, Alida will educate and inform you. You don't know what you don't know, after all. Here's your master class. A great freedom comes from knowing your options. Even if you continue crafting stories based on your instincts, you'll now do so with a well of wisdom at your fingertips." - M.G. Herron, Author of The Auriga Project
