New Adult Paranormal Romance ** Mature Content ** Recommended for ages 16+ due to sexual situations and language This book includes realistic scenes of domestic violence that are not gratuitously graphic, but may be disturbing to sensitive readers. Hearts break. Souls shatter. Love lies in The Space Beyond. As members of the Phoenix, Jeric and Leni are thrust into their new lives, expected to lead Earth's Guardians. But Leni struggles with trusting her own soul, and Jeric is more concerned about keeping Leni safe than meeting others' demands. When Darkness swarms Lake Haven, they embark on their first mission with little preparation and no idea which soul the Dark hunts. Born and raised in Lake Haven, Bex hopes to escape her small-town life, ideally in the arms of her soul mate. She knows he exists, and her heart aches with the need to find him. When her long-lost mama calls to announce she's knockin' on death's door, Bex reluctantly makes the trip to see the uncaring bitch (bless her heart), only to be knocked off her feet by the sexy and charming Dr. Mason Hayes. Is he really The One? Leni's soul felt an instant connection to Bex, but if Bex found her soul mate, she isn't their mission. So who is, and why does Leni instinctively feel drawn to her? Can Leni even trust her intuition? And will Jeric step up and lead when the time comes or continue to hold them back? If they don't learn to trust themselves and each other quickly, Darkness will claim them all...along with the rest of Earth's souls.

All I've ever wanted was a normal life, but two days before I'm supposed to leave for college, Mom wakes me up at the butt-crack of dawn so we can hit the road early. She acts like we can't escape this city fast enough, but won't explain. I know we have family secrets. She's been guarding them from me all my life, supposedly with good reason. But after a bizarre attack by creatures that can't possibly be real, I think it's time for me to know the truth, with or without her help. I've barely started my covert investigation, though, when I meet Tristan Knight. He's gorgeous, smart, and talented, and he seems to enjoy hanging out with me. I suddenly forget all about our enigmatic family and retreat behind my facade of normalcy. At least, until one fateful night when I discover he's not normal either. The secrets begin to unravel. Supposedly, we're fated mates, and our union brings hope to my family's secret society, a/k/a the Angels' army on earth. Our love could save the world. Or end it. Because the Angels aren't the only ones who want us on their side. The Demons will stop at nothing to claim the ultimate power couple. After all, we're a match made in Heaven-and in Hell.

Violet McKenna's life started falling apart when a premonition of her father's murder came true, but at a new school, Winterhaven, she finds friends with psychic gifts and an alluring boy whose destiny is entwined with hers in a critical--and deadly--way.

When Alexis Ames is attacked by creatures that can't be real, she decides it's time she learns who she really is, with or without the help of her mother, who guards their family's secrets closely. After meeting the inhumanly attractive, multi-talented Tristan Knight, however, Alexis retreats behind her facade of normalcy .. until she discovers he's not exactly normal either. Then their secrets begin to unravel. Their union brings hope and promise to her family's secret society, the Angels' army, and to the future of mankind. But it also incites a dangerous pursuit by the enemy - Satan's minions and Tristan's creators. After all, Alexis and Tristan are a match made in Heaven and in Hell.

Finding my fated mate could bring death... or worse. After years of constant criticism, I finally escape the alpha of the strongest pack--my father. It's a chance to have a new beginning... and to live on my own terms, in my own way. The first day at college, I find more than what I bargained for. My fated mate. Something that any wolf rejoices in finding. Except he's forbidden--a human. The weakest race on Earth and someone my father would kill without any hesitation. Choices must be made, and loyalties will be tested. With everything on the brink of destruction, only one thing is certain - my life will never be the same again.

Bestselling author Kristie Sullivan teamed up with her teenaged daughter Grace to deliver the ultimate keto family cookbook, *Growing Up Keto*. This inspiring new book stems from Kristie's personal struggles with growing up obese and then finally finding the right nutritional path for herself and, eventually, her family. The keto lifestyle proved to be the right fit for Kristie, who experienced dramatic weight loss and optimized health. Above and beyond being a success story, Kristie is a busy working mom who is devoted to the health of her two children. When she saw her own daughter begin to struggle with weight just as she had as a child, Kristie committed to supporting her by providing delicious low-carb options, focusing on health instead of weight, and setting an example. With her mother's guidance, Grace made the choice to adopt a keto lifestyle herself, and after six years of success, this mother-and-daughter duo bring to you a first-of-its-kind cookbook dedicated to young adults, teens, kids, and—you guessed it—their moms and dads! *Growing Up Keto* combines the Sullivans' heartwarming family narrative with a practical, safe, and kid-friendly approach to adopting a low-carb, ketogenic lifestyle. The recipes featured in the book were created with the health needs and tastes of kids and teens in mind. Some are so simple that youngsters can take over in the kitchen with little or no help from mom or dad. There are also recipes for celebrations with extended family and friends and meals that parents and kids can cook together, making even simple weeknight dinners more fun. Kristie also includes useful tools and information for parents of kids who eat keto, such as tips and tricks for surviving sleepovers, camp, and other social activities that involve food as well as a guide to helping kids make independent and informed choices for a lifetime of healthy eating. *Growing Up Keto* is complete with breakfasts, including quick morning meals; lunches, including handy tips on packing for school and

overnight trips; main dishes, including celebratory meals; and, of course, classic desserts that kids love. With plenty of options for a wide range of palates, Kristie and Grace leave nothing out. As head of marketing for the exclusive Freeman Hotel, in the rarefied mountains of northern Washington, Lindsay grapples with her rival, the charming newcomer, Lucifer Furey Pierse. No one knows much about Luke except he could turn murder into a comedy routine, that he likes classy women and is oddly drawn to the prickly, definitely not-interested Lindsay. But when Luke wins and Lindsay is forced to pay the price, she learns more about Lucifer Furey Pierse than she thought existed. Jenna and Ryder are far from friends—until a storm stirs up their passion in this contemporary southern romance from New York Times bestselling author Kristi Cook. In Magnolia Branch, Mississippi, The Cafferty and Marsden families are practically royalty. Neighbors since the Civil War, the families have shared vacations, holidays, backyard barbecues, and the overwhelming desire to unite their two clans by marriage. So when the families finally have a baby boy and girl at the same time, the perfect opportunity seems to have arrived. Except Jemma Cafferty and Ryder Marsden have no intention of giving in to their parents' wishes. They're only seventeen—oh, and also? They hate each other. Jemma can't stand Ryder's nauseating golden-boy persona, and Ryder would prefer it if stubborn-headed Jemma didn't exist. And their communication is not exactly effective: even a casual hello turns into a yelling match. But when a violent Mississippi storm ravages through Magnolia Branch, it unearths feelings Jemma and Ryder didn't know they had. And the line between love and hate just might be thin enough to cross...
