Tales of dubious authenticity. Ten years ago, a young man stood in his bedroom. The events set in motion that day would change his and his friends' lives forever, for the better and the worse (and the ridiculous). Now, in the aftermath, he has to make a choice: Meat or Candy?

Details the adventures of Whistles, a clown in the Starlight Calliope circus, who retains his innocence and optimism even as he is forced to flee after being exposed to the corrupt underworld of the circus.

This book offers the first comprehensive study of the many interfaces shaping the relationship between comics and videogames. It

Acces PDF Homestuck Book Two Andrew Hussie

combines in-depth conceptual reflection with a rich selection of paradigmatic case studies from contemporary media culture. The editors have gathered a distinguished group of international scholars working at the interstices of comics studies and game studies to explore two interrelated areas of inquiry: The first part of the book focuses on hybrid medialities and experimental aesthetics "between" comics and videogames; the second part zooms in on how comics and videogames function as transmedia expansions within an increasingly convergent and participatory media culture. The individual chapters address synergies and intersections between comics and videogames via a diverse set of case studies ranging from independent and experimental

Acces PDF Homestuck Book Two Andrew Hussie

projects via popular franchises from the corporate worlds of DC and Marvel to the more playful forms of media mix prominent in Japan. Offering an innovative intervention into a number of salient issues in current media culture, Comics and Videogames will be of interest to scholars and students of comics studies, game studies, popular culture studies, transmedia studies, and visual culture studies.
