This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The E-Type Jaguar has been described on countless occasions as one of the most beautiful cars in the world. Over the years it has built a reputation amongst Jaguar enthusiasts and classic car collectors for being the ultimate classic to own. If you are lucky enough to own one and are planning to undertake the restoration work by yourself, this manual will take you through the full nut-and-bolt restoration of a very early example, E-Type Jaguar Chassis No 60. Restoration experts from the world's premier Jaguar restoration company, Classic Motor Cars Ltd, have written each chapter, giving you a first-hand account of the process. Contents: Preparing a workspace and dismantling the vehicle; Restoring and painting the body; Engine, electrics and transmission restoration; Assembly of the sub-assemblies, and final assembly; Trimming; Road testing and the first outing. This comprehensive manual for the complete restoration of an E-Type will be of great interest to motoring enthusiasts and motor mechanics, and is superbly illustrated with 700 colour photographs.

This book tells the story of how John Egan gradually overcame the odds and, piece by piece, rebuilt this great company, winning over the workforce, the overseas dealers and, most important of all, the customers. Working with Margaret Thatcher and her Government, Egan and his team of managers overcame every obstacle, every set-back, every challenge. Again and again, it looked impossible. Yet using innovative techniques, intelligence, eloquence, openness, motor racing and much more, they saved this most charismatic company which has created some of the finest and most loved motor cars of all time.It is an amazing story that will appeal equally to car enthusiasts, those in business and readers interested in social history.

A maintenance & repair manual for the DIY mechanic.
