The Chavacano de Zamboanga Handbook is a study of the basic rules of grammar and structure of Zamboanga Chavacano (ZC) language. It is primarily designed for those who are interested in studying the language or in knowing more about it. While some Philippine languages and Spanish contribute to the development of ZC, this book shows how the ZC is very unlike them in terms of its morphological and syntactical features. It also includes some changes and additional features in the language which were not included in other ZC books.

I See Wasps introduces emergent readers to different kinds of paper wasps while providing them with a supportive first nonfiction reading experience. Carefully crafted text, high-frequency words, repetitive sentence patterns, and strong visual references support emergent readers, making sure they aren't facing too many challenges at once.
