This title prepares users for the MCSE exam for 70-215: Installing, Configuring, and Administering Microsoft Windows 2000 Server.  
Provides information on Cascading Style Sheets, covering such topics as text styling, images, tabular data, forms and user interfaces, and positioning and layout.

Herzmanovsky-Orlando's 1928 novel The Tragic Demise of a Faithful Court Official tells of the romantic entanglements, inexorable decline, and subsequent tragicomic death of the rigid and proper Biedermeier bureaucrat Jaromir Edler von Eynhuf. In his unwavering efforts to gain the attention of his beloved Emperor Franz I and to further his career, Eynhuf loses sight of all propriety and embarks on an irreversible path of obsession leading into the netherworld of the diva Hoellteufel and to his eventual ruination.  
Greek tragedy is currently being performed more frequently than at any time since classical antiquity. This lavishly illustrated book is the first attempt fully to document and explain its revival. It assembles fourteen essays by specialists from classics, theater studies, and the professional theater, who relate the recent production history of Greek tragedy to social and academic trends.

What happens when your best hope for the future is through the past? Voice-over artist Alice avoids telling the truth. It's not lying, exactly, and the freedom of reinvention makes those tough years in the past a little easier to bear. So when she meets writer Clayton Miller, she recognizes the suspicious signs of someone who wants to shrug off his old life. Untangling the web of secrets they've constructed creates an unlikely friendship-until Alice discovers that Clayton has betrayed her in the worst possible way. The author of fifteen international bestsellers, Erica James deftly explores infidelity, bereavement, and the bonds of family with a sparkling voice that will resonate long after the book is finished. Praise for Erica James "Intense, compelling stuff." -OK! magazine "The author writes with a sturdy, feel-good optimism." -Sunday Times "It is a captivating read: beautifully written." -Daily Telegraph "You know you have made it as a storyteller when readers simply cannot put your book down...Erica James has this page-turning ability in abundance...I wouldn't have thought this writer could get any better, but she has!" -Welsh Country

Appearances - The Art of Class is an examination of the subtle refinements which make one an elitist.  
Instructs educators on using the CAFE system to develop student's reading skills and promote comprehension, including information on tracking growth and how to talk to students.

Raised with limited peer interaction, Ernestine St Bennett has difficulty interpreting social cues. At twenty-five she's become a loner; a shy nerd immersed in her scientific studies, whose best friend is her pet fish, Waldo.Then Ernestine meets Simon Prime, who's obviously a nerd, too! Sympathizing with his social dysfunction, Ernie decides to help poor Simon increase his self-esteem and thus enhance his social standing. Using principles learned in her fish studies, she'll simply turn Simon from meek to macho.What Ernestine doesn't know (but Waldo suspects) is that Simon Prime is really ex-cop, private investigator Sam Pierce in disguise. A man who definitely doesn't need his masculinity enhanced!
