Mastering Composition. by Jim Black. August 14, 2017. watercolor painting. 0. Mastering composition in watercolor painting takes time. Composition is the tone, the balance, the unity, the arrangement of shapes, the entire painting itself, etc. It is what makes a painting great or mediocre. If you can remember learning to drive a car, particularly if it was a stick shift, you will remember how overwhelming it was to think about all those actions at once.
