Native American Literature, History, and Politics - Patricia Penn Hilden Solar Storms Linda Hogan

First published in 1995, *Solar Storms*, a novel by Linda Hogan, tells the story of 17-year-old Angel Iron ' s coming-of-age as a Native American woman in the early 1970s. During this time, the Native American way of life is increasingly coming under threat. Angel ' s narrative is continually interspersed with those of her grandmothers, as a means of giving a fuller rendition of the Native American female experience during the 20th century.
