Yet the Solos ’ selfless determination to save the queen cannot dispel the inescapable consequences of their actions, that will pit mother against son and brother against sister in the battles ahead. For as Jacen Solo ’ s dark powers grow stronger under the Dark Jedi Lumiya, and his influence over Ben Skywalker becomes more insidious, Luke ’ s concern for his nephew forces him into a life-and-death struggle against his fiercest foe, and Han and Leia Solo find themselves at the mercy of their deadliest enemy . . . their son. Civil war may be brewing, and the Skywalker-Solo clan find that they might not all be on the same side. Meanwhile, evil is rising again--out of the best intentions--and it looks like the legacy of the Skywalkers may come full circle...

Delve into the cutthroat world of one of the High Republic’s greatest foes, the merciless Lournaa Dee, in this full script for the Star Wars audio original *Tempest Runner*. The Nihil storm has raged through the galaxy, leaving chaos and grief in its wake. Few of its raiders are as vicious as the *Tempest Runner* Lournaa Dee. She stays one step ahead of the Jedi Order at the helm of a vessel named after one of the deadliest monsters in the galaxy: herself. But no one can outrun the defenders of the High Republic forever. After the defeat of her crew, Lournaa falls into the hands of the Jedi—but not before she hides her identity, becoming just another Nihil convict. Her captors fail to understand the beast they have cornered. Just like every fool she’s ever buried, their first mistake was keeping her alive. Lournaa is determined to make underestimating her their last. Locked up on a Republic correctional ship, she’s dragged across the galaxy to repair the very damage she and her fellow *Tempest Runners* inflicted. But as Lournaa plans her glorious escape, she makes alliances that grow dangerously close to friendships. Outside the Nihil—separated from her infamous ship, her terrifying arsenal, and her feared name—Lournaa must carve her own path. But will it lead to redemption? Or will she emerge as a deadlier threat than ever before?

As Jacen Solo continues his victorious campaign against the Corellian rebels, Han and Leia Solo and Luke and Mara Skywalker begin to suspect that someone has been manipulating the war, and unless the enemy can be stopped, galactic peace will be impossible.
