Stormbringer is a magic sword featured in a number of fantasy stories by the author Michael Moorcock. Created by the forces of Chaos, it is described as a huge, black sword covered with strange runes carved deep into its blade. It is wielded by the doomed albino emperor Elicr of Melnibon é . Stormbringer makes its first appearance in the 1961 novella The Dreaming City. The theme of a cursed sword which causes evil deeds when drawn goes back to the sword Tyrfing in Norse Mythology, with which ...

Stormbringer - Wikipedia

THE BANE OF THE BLACK SWORD. Michael Moorcock ` s The Bane of the Black Sword collects three stories about Elicr of Melnibon é and adds a fourth story featuring Elicr's friend, Rackhir the Red. Although the four stories were written independently of each other, there is a pleasant symmetry in the first and last story while the second story adds to Elicr's overarching epic.
