A young hustler, working undercover for the FBI, becomes immersed in a high-stakes world of drugs, money and sex. where, he falls in love with the daughter of a well-known hit man, forcing him to make a difficult decision that puts many people's lives at risk. Original.

Dopeman: Memoirs of a Snitch is a complex tale about the life and times of one the biggest drug traffickers the Midwest has ever seen. The FBI has launched an intricate plot to take down one of the most prolific drug organizations in the summer of 2009, and Seven Smith is their main target. Seven establishes a relationship with an up and coming hustler and takes him under his wing. Unbeknownst to Seven, his protégé works for the authorities. The young hustler falls in love with a woman who is off-limits, and he has to make a difficult decision that puts many people's lives at risk. Lola Banks is the daughter of a well-known hit man and street legend in Ohio. When she lays her eyes on the out-of-towner/snitch, it becomes a forbidden love. She is caught in a web of lies and deceit, only to get the hurtful truth on the last page. This is a hustler's love story at its absolute finest. The conclusion to this story is so unpredictable and intelligent that no one will see it coming--no one.

After scoring a big payday, Nautica, who was raised by the streets, moves to the East Coast to start a new life, but instead gets involved with a rich and powerful drug lord who makes her his wife until past secrets turn them against each other. Original.

Johnny "Boy" Pierre- is the son of Haitian immigrants coming to the U.S. seeking a better opportunity, only to live in dire poverty; when faced with the opportunity to enter the fast life, Johnny decides to take it head-on, even though it ultimately leads to the destruction of his family and of many around him. The Dopeman chronicles the life and crimes of Johnny "Boy" Pierre. Growing up at the height of the crack epidemic in New York City in the late 80s, early 90s, Johnny watched his parents struggle immensely. He hooks up with a local drug dealer with connections to Virge Maronzano, son of the most powerful Mafia boss in the country. Johnny quickly ascends through the ranks and becomes the gang's leader. During their peak the gang grosses over a billion dollars a year in the drug trade. His reign as leader lasts ten years before the FBI led by Milton Schwartz, the no nonsense head of the FBI's New York office, and Jimmy Smith, an undercover agent in the gang, are able to take him down. Johnny cooperates; assisting in breaking up the unholy alliance between his gang and the American mafia; an alliance that spanned three decades.

Part 2 of the Dopeman's Trilogy, JaQuavis Coleman chillingly chronicles the life and crimes of Harlem resident Hazel Brown, as she rises to the highest highs and spirals into an inevitable, devastating downfall. Hazel has nothing and no one in her life; the only thing she "owns" is an insatiable addiction to heroin. Her addiction brings her to the slums, where she quickly learns the tricks of surviving—of hustling and getting her street smarts. She'll do anything to feed her habit, even if that means robbing and conning and selling her own body. Yet no matter how much heroin she does, the pain that's cut so deep within her never goes away in this story so intimate and compellingly written, you'll feel like you're walking in her shoes.

Love, lies, adultery, and death. Ashley and JaQuavis introduce readers to London, a beautiful immigrant from Trinidad. She was given to her husband by her father in order to settle a debt. Standing by her husband's side to make him the envy of his associates is a day in the life, but behind closed doors, their relationship becomes cold, and the abuse that she encounters has her looking for a way out. When she meets a young thug named Kalil, he opens her eyes to a world she never knew. Afraid of the repercussions of her actions, she avoids Kalil at all costs, but his relentless pursuit makes their love inevitable. Enter the world of The Trophy Wife. Her story will keep you guessing until the final page, and the outcome will leave you breathless.

TAZ IS BACK! What happens to an organized criminal enterprise when the weakest link finally breaks? Changes must be made for future growth, but nobody can see the forest for the trees. The Network, known for their calculated power moves, attempts to align themselves with new international business colleagues. With a leader like Taz, the possibilities seem endless, but not everyone adjusts well to change. Over the years, respect has been lost and decisions challenged. As secrets are unveiled, blood will be shed and lives will be lost. Will betrayal stand in the way of prosperity? Clifford "Spud" Johnson delivers with this highly anticipated addition to the Gangsta Twist Series that will keep you on your toes!

Liberty and her new friend Po decide to take on the California kingpin and embark on a journey to Sierra Leone, where, with a new overseas connection, they hope that they and their drug empire can survive.

The Red Bottom Bandits may be the world's most fashion-forward gang of masked outlaws. They're the talk of D.C. for their daring robberies and fly gear. And their latest caper is penned by Ashley Antoinette (of Ashley & JaQuavis) at her sultry, streetwise best. When the innocent, naïve Gucci recognizes ringleader Sunny Raegan during a holdup, that's her "in" with the Bandits. Knowing she's got a lot more beauty than brains, Gucci sees the gang as her meal ticket. More likely, they'll be her ticket to the morgue! The Bandits may be lawless, but they play by a few simple rules: Get in and get out. . .shoot first and ask questions later. . .never leave without the money. . .and innocent people don't get hurt. But it's only a matter of time before all these rules get broken—and that's when Gucci gets caught! If there's one thing a girl needs, it's a little help from her friends. But her "friends" have skipped town without giving her a second thought. And Sunny is distracted by her new baby and her violent ex-lover. So Gucci's on her own. She's on trial for her life, and she must decide whether to snitch on the girls—or take the fall all by herself. Whichever she chooses, it may be her death sentence.

A founder and former CEO of Ruthless Records traces his four-decade career in the music business, describing his role in the careers of such artists as Elton John, Van Morrison, and Marvin Gaye, revealing his efforts to promote the New Wave and rap music genres, and relating his insider witness to and participation in numerous edgy deals. Reprint. 30,000 first printing.
