The Public Health Foundation (PHF) in partnership with the Centers for Disease Control and Prevention (CDC) is pleased to announce the availability of Epidemiology and Prevention of Vaccine-Preventable Diseases, 13th Edition or "The Pink Book" E-Book. This resource provides the most current, comprehensive, and credible information on vaccine-preventable diseases, and contains updated content on immunization and vaccine information for public health practitioners, healthcare providers, health educators, pharmacists, nurses, and others involved in administering vaccines. "The Pink Book E-Book" allows you, your staff, and others to have quick access to features such as keyword search and chapter links. Online schedules and sources can also be accessed directly through e-readers with internet access. Current, credible, and comprehensive, "The Pink Book E-Book" contains information on each vaccine-preventable disease and delivers immunization providers with the latest information on: Principles of vaccination General recommendations on immunization Vaccine safety Child/adult immunization schedules International vaccines/Foreign language terms Vaccination data and statistics The E-Book format contains all of the information and updates that are in the print version, including: · New vaccine administration chapter · New recommendations regarding selection of storage units and temperature monitoring tools · New recommendations for vaccine transport · Updated information on available influenza vaccine products · Use of Tdap in pregnancy · Use of Tdap in persons 65 years of age or older · Use of PCV13 and PPSV23 in adults with immunocompromising conditions · New licensure information for varicella-zoster immune globulin Contact bookstore@phf.org for more information. For more news and specials on immunization and vaccines visit the Pink Book's Facebook fan page

Developed by subject matter experts at the Centers for Disease Control and Prevention (CDC), Epidemiology and Prevention of Vaccine-Preventable Diseases, 14th Edition, "The Pink Book" contains current, credible, and comprehensive information on common vaccine-preventable diseases and provides those who administer immunizations with the latest information on: Principles of vaccination? General best practice guidance on immunization? Immunization strategies for healthcare practices and providers? Child/adolescent/adult immunization schedules? Vaccination data and statistics The Pink Book, 14th Edition serves as an all-in-one reference guide of routine vaccines and includes a wealth of new and updated material Immunization providers can easily use and reference including: New chapter on Herpes Zoster ? New vaccine administration guidelines? New system-level interventions to increase vaccinations? New recommendations regarding selection of storage and temperature monitoring tools? New vaccine deliveries and transport system recommendations including emergencies ? New HPV recommendations and vaccine products? New mumps surveillance and reporting guidance? Updated infection control procedures for vaccine administration? Updated "catch up" immunization schedules for children and adolescents? Updated recommendations for adult vaccines ? Updated information on available influenza vaccine products? Updated immunogenicity and vaccine effectiveness for Meningococcal? Updated statistics and graphics throughout Considered one of the greatest public health achievements, vaccines protect infants, children, adolescents, and adults from diseases. Because of high vaccine coverage levels in the United States, some diseases prevented by vaccines rarely occur here. However, with

vaccine hesitancy on the rise and a disruption to routine immunizations caused by the pandemic, public health could be put at risk for disease outbreaks of mumps, measles, and varicella, meningitis, and pneumonia.

In this happy eBook with audio, Madison loves pink to the limit! Madison loves pink. In fact, "pink" was her very first word, so it was no surprise to anyone when she grew up to embrace pink with a passion: her room, her clothes, even the mashed potatoes at her birthday dinner were all pink, pink, pink. But then Madison realizes that she has taken her love for pink a bit too far. What about her favorite brown bear, her red truck, her green balloon? Pink is great—it really is—but it needs the other colors to shine, and so does Madison! With simple, relatable text, playful illustrations, and audio accompaniment, this kindly cautionary tale will charm enthusiasts of all colors of the rainbow.

THE ESSENTIAL WORK IN TRAVEL MEDICINE -- NOW COMPLETELY UPDATED FOR 2018 As unprecedented numbers of travelers cross international borders each day, the need for up-to-date, practical information about the health challenges posed by travel has never been greater. For both international travelers and the health professionals who care for them, the CDC Yellow Book 2018: Health Information for International Travel is the definitive guide to staying safe and healthy anywhere in the world. The fully revised and updated 2018 edition codifies the U.S. government's most current health guidelines and information for international travelers, including pretravel vaccine recommendations, destination-specific health advice, and easy-to-reference maps, tables, and charts. The 2018 Yellow Book also addresses the needs of specific types of travelers, with dedicated sections on: · Precautions for pregnant travelers, immunocompromised travelers, and travelers with disabilities · Special considerations for newly arrived adoptees, immigrants, and refugees · Practical tips for last-minute or resource-limited travelers · Advice for air crews, humanitarian workers, missionaries, and others who provide care and support overseas Authored by a team of the world's most esteemed travel medicine experts, the Yellow Book is an essential resource for travelers -- and the clinicians overseeing their care -- at home and abroad.

Men may have their little black book of cocktails - but now women have one just for them, in feminine pink, fashionably designed, and with a lovely textured cover embossed with red foil. What better way for busy girls to entertain than by using this fabulous little gem to help spark up their marvelous social lives... along with setting the right mood for that little hottie that is coming over? Inside, gals will find witty quotes and words of wisdom as well as fabulous drinks from Cosmos to Appletinis to other fun and exciting and easy to make shots, drinks, and cocktails. Best-selling girlfriend expert Jennifer Worick, co-author of The Worst-Case Scenario Survival Handbook: Dating & Sex, provide an entertaining introduction.

Men may have their little black book—but now women have one just for them, in feminine pink, fashionably designed, and with a lovely textured cover embossed with red foil. What better way for busy girls to keep track of their marvelous social lives...along with those blind dates gone bad? Inside, gals will find witty quotes and words of wisdom divided into five tabbed dating sections: "Romantic," "Fun," "Sexy," "Soulful," and of course, "Nightmare." Jot down comments on each guy in the appropriate place, with contact information; ratings for his conversation, dancing, sense of humor, and physical attraction; notes on his strengths or weaknesses, and whether there's a potential future. Best-selling dating expert Jennifer Worick, co-author of The Worst-Case Scenario Survival Handbook: Dating & Sex, provides an entertaining introduction.

Now in its second edition, this book focuses on practical algorithms for mining data from even the largest datasets.

A Girl's On-Course Survival Guide to Golf Series 2 is the follow-up book and, like the first best-selling title, is jam-packed with cover to cover pictures and Christina's signature Step 1-2-3's, DO's/DONT's and YES/NO's. This Survival Guide is the sister to the Pink book addressing the main culprits that keep our scores high from tee to green. The Pink book was my journey to a 5-handicap in 5 years. This book is YOUR journey towards your goals. Over the last few years, I have seen common threads among women that continually frustrate them from getting to that next level. I am addressing these threads head on; real problems with real solutions! In fact, I am thrilled to announce a new section called Before & Afters with Real Women! Real women that'll inspire your game!
