And this book was no exception. It's not really anything new – Andy admits that in the first chapter. But his approach is simple and clear, showing how the “principle of the path” applies to everyone, in every situation. Here’s how he puts it: Direction – not intention – determines our destination. That’s it – that’s the principle of the path.

Not where you want to be? Wondering how to get there? Why is it that smart people with admirable life goals often end up far from where they intended to be? Why is it that so many people start out with a clear mental picture of where they want to be relationally, financially, and professionally and yet years later find themselves far from their desired destination? Why do our expectations about our own future often go unmet? What if you knew the answer to those questions? What if there was one simple idea that explained why so many people get lost along the way? There is. It's called the principle of the path. And not only does it explain the disappointment and regret that characterize the lives of so many, it provides a way for you to be the exception. As you are about to discover, the principle of the path is at work in your life every single day. Once embraced, this compelling principle will empower you to identify and follow the path that leads to your desired destination. And this same principle will enable you to avoid life-wasting detours along the way. “If you’re ready to break the bad habits, bad behaviors, and bad decisions that have been leading you into trouble, you need Andy Stanley’s The Principle of the Path.”–Dave Ramsey, host of The Dave Ramsey Show and best-selling author of The Total Money Makeover

Your Direction, not Your Intention, Determines Your Destination. There is often a tension between where we want to end up in life and the path we choose to get there. We fail to see that having good intentions is never good enough. Like Charlie Brown, we wrongly believe there's something to be said for trying hard. We need to understand why, in spite of our good intentions, we may have ended up at the wrong destination with our finances, our marriages, our careers, or a host of other dreams. So how do we get from where we are to where we truly want to be? The Principle of the Path is a road map to proper direction and discipline. Includes Extensive Study Guide.

Not where you want to be? Wondering how to get there? Why is it that smart people with admirable life goals often end up far from where they intended to be? The Path of Least Resistance: Learning to Become the Creative Force in Your Own Life, Revised and Expanded discusses how humans can find inspiration in their own lives to drive creative process. This book discusses that by understanding the concept of structure, we can reorder the structural make-up of our lives; this idea helps clear the way to the path of least resistance that will lead to the manifestation of our most deeply held desires. This text will be of great use to individuals who seek to use their own lives as the driving force of their creative process.

A Gentle Path through the Twelve Principles

The trade paperback edition of the inspirational guide by one of the most preeminent leaders of the Latino Christian community. Reverend Samuel Rodriguez uncovers the seven spiritual lessons learned from the story of Jesus' empty tomb--lessons that can enrich, empower, and transform lives. The goal: to recognize what God has placed throughout our journey in order to guide us toward fulfillment. Taking the story of Jesus and the empty tomb as his basis and inspiration, Reverend Rodriguez explains how these life-changing principles can be learned to create a richer, transformed life. An inspiring book, it guides readers down the path of miracles already ahead of them.

This true lost manuscript from the "grandfather of self-help," Napoleon Hill provides timeless wisdom on how to attain a more successful and wealthy life using simple principles. Napoleon Hill first wrote The Path to Personal Power in 1941, intending it as a handbook for people lifting themselves out of the Great Depression. But upon the bombing of Pearl Harbor and America's entrance into World War II, these lessons were put aside and largely forgotten--until today. Discovered in the archives of the Napoleon Hill Foundation, this never-before-published work is made up of three easily digested lessons, each its own chapter: Definiteness of Purpose; the Master Mind; and Going the Extra Mile. This concise book is a powerful roadmap that leads to a single discovery--you already have the power to attain whatever wealth, success, and prosperity you desire in life. All you need to do is walk the path without straying, and the rest will follow. Using these lessons, you have principles to live by that will help you stay on your own personal path to power, and achieve success that you never thought possible.

An entertaining, illustrated adaptation of Ray Dalio's Principles, the #1 New York Times bestseller that has sold more than two million copies worldwide. Principles for Success distills Ray Dalio's 600-page bestseller, Principles: Life & Work, down to an easy-to-read and entertaining format that's accessible to readers of all ages. It contains the key elements of the unconventional principles that helped Dalio become one of the world's most successful people—and that have now been read and shared by millions worldwide—including how to set goals, learn from mistakes, and collaborate with others to produce exceptional results. Whether you're already a fan of the ideas in Principles or are discovering them for the first time, this illustrated guide will help you achieve success in having the life that you want to have.
