Plot, though, is secondary—it's here only to provide successive set-pieces in which various characters can display their larger-than-life vices, virtues, and talents: ailing Cardinal Guzman is haunted by the demons of his corruptions, torments that are cured only by surgery—his tumor turns out to be an unborn twin—and his decision to leave the church and do good with his longtime mistress and their dead son, Christobal, reborn as a humming bird.

Only their son, Cristobal, seems capable of alleviating the Cardinal's agonies. Yet even this happy therapy provides fresh challenges to the cleric. Guzman's familial problems aren't limited to this illegitimate child. Key chapters in this volume are comprised of a letter to the Cardinal from The Holy Office.

With the same ebullient storytelling, luxuriant prose, and irrepressible eroticism he brought to *The War of Don Emmanuel's Nether Parts* and *Señor Vivo* and the *Coca Lord*, Louis de Bernières continues his chronicle of Cochadebajo, the Andean village where macho philosophers, defrocked priests, and reformed (though hardly inactive) prostitutes cohabit in cheerful anarchy. But this unruly utopia is imperiled when the demon-harried Cardinal Guzman decides to inaugurate a new Inquisition, with Cochadebajo as its ultimate target. On his side, the Cardinal has an army of fanatics who are all too willing to destroy bodies in order to save souls. The Cochadebajeros have precious little ammunition, unless you count chef Dolores's incendiary *Chicken of a True Man*, and a civil defense that deems nothing more crucial than the act of love. Part epic, part farce, *The Troublesome Offspring of Cardinal Guzman* confirms de Bernières's reputation as England's answer to Gabriel García Márquez.

Farce meets tragedy when the sadistic Cardinal Guzman launches a savage Inquisition and confronts Cochadebajo's population of ex-guerrillas, quasi-reformed prostitutes, and the corpulent ghost of Thomas Aquinas. Reprint. 25,000 first printing.

They were an inseparable tribe of childhood friends whose world was torn apart by the First World War. Some were lost in battle, and those who survived have had their lives unimaginably upended, scattered to Ceylon and India, France and Germany, and, inevitably, back to Britain. Now, at the dawn of the 1920s, all are trying to pick up the pieces. At the center of Louis de Bernières's riveting novel are Daniel, an RAF flying ace, and Rosie, a wartime nurse. As their marriage is slowly revealed to be built on lies, Daniel finds solace--and, sometimes, family--with other women, and Rosie draws her religion around herself like a carapace. Here too are Rosie's sisters--a bohemian, a minister's wife, and a spinster, each seeking purpose and happiness in her own unconventional way; and Daniel's military brother, unable to find his footing in a peaceful world. Told in brief, dramatic chapters, *So Much Life Left Over* follows the stories of these old friends over the decades as their paths re-cross or their ties fray, as they test loyalties and love, face survivor's grief and guilt, and adjust to a new world.

This rambunctious first novel by the author of the bestselling *Corelli's Mandolin* is set in an impoverished, violent, yet ravishingly beautiful country somewhere in South America. When the haughty Dona Constanza decides to divert a river to fill her swimming pool, the consequences are at once tragic, heroic, and outrageously funny. "Walks a precarious edge between slapstick and pathos, never once losing its balance."--*Washington Post Book World*.

Dionisio Vivo, a young South American lecturer in philosophy, is puzzled by the hideously mutilated corpses that keep turning up outside his front door. To his friend, Ramon, one of the few honest policemen in town, the message is all too clear: Dionisio's letters to the press, exposing the drug barons, must stop; and although

Dionisio manages to escape the hit-men sent to get him, he soon realizes that others are more vulnerable, and his love for them leads him to take a colossal revenge. *Senor Vivo and the Coca Lord* is the second novel in a trilogy set in South America. It won a Commonwealth Writers Prize in 1992.

Extravagant, inventive, emotionally sweeping, *Corelli's Mandolin* is the story of a timeless place that one day wakes up to find itself in the jaws of history. The place is the Greek island of Cephallonia, where gods once dabbled in the affairs of men and the local saint periodically rises from his sarcophagus to cure the mad. Then the tide of World War II rolls onto the island's shores in the form of the conquering Italian army. Caught in the occupation are Pelagia, a willful, beautiful young woman, and the two suitors vying for her love: Mandras, a gentle fisherman turned ruthless guerilla, and the charming, mandolin-playing Captain Corelli, a reluctant officer of the Italian garrison on the island. Rich with loyalties and betrayals, and set against a landscape where the factual blends seamlessly with the fantastic, *Corelli's Mandolin* is a passionate novel as rich in ideas as it is genuinely moving.

‘ Sharp, funny, engaging ’ *Financial Times* Discover the second gripping novel in Louis de Berni è res' satirical tragic, hilarious South American trilogy. Dionisio Vivo, a South American lecturer in philosophy, is puzzled by the bodies that keep turning up outside his front door. To his friend, Ramon, one of the few honest policemen in town, the message is all too clear: Dionisio's letters to the press, exposing the drug barons, must stop; and although Dionisio manages to escape the hit-men sent to get him, he soon realises that others are more vulnerable, and his love for them leads him to take a colossal revenge.

From the acclaimed author of "*Corelli's Mandolin*" comes a love story that is both wry and heartbreakingly sad. Narrated in the moment and in recollection, "*A Partisan's Daughter*" is also a commentary on the seductions and powers of storytelling.

Dionisio Vivo, a young South American lecturer in philosophy, leads a charmed life in a world where the supernatural is routine. He is insulated from attacks by the local coca lord's hit-men, by a sense of justice and pig-headed integrity.
