Designed to mentor writers at all levels, from beginning to quite advanced, The Writer's Portable Mentor offers a wealth of insight and crafting models from the author's twenty-plus years of teaching and creative thought. The book provides tools for structuring a book, story, or essay. It trains writers in observation and in developing a poet's ear for sound in prose. It scrutinizes the sentence strategies of the masters and offers advice on how to publish. This second edition is updated to account for changes in the publishing industry and provides hundreds of new craft models to inspire, guide, and develop every writer's work.

This second edition helps principals and their mentors navigate

through the first months of a principalship, with updated ISLLC standards and strategies for improving student achievement.

This second edition helps principals and their mentors navigate through the first months of a principalship, with updated ISLLC standards and strategies for improving student achievement.

The ten year anniversary of the book offers an excellent opportunity to publish a second edition. Several aspects of the book have evolved considerably since its first printing. For instance, substantial revision to the internship, licensure, and certification processes has occurred, and are reflected in this resource. Much of the literature on clinical psychology, cultural sensitivity, and the current job market is updated. Changes in technology have large effects on teaching and practicing clinical psychology. These modifications are needed to offer appropriate and updated information for students. In short, virtually every chapter has substantial modification to ensure that the material is accurate and up to date.

Long ' s work begs to be read aloud in order to savor the rich language and rhythm she instills in each poem. She explores the beauty of specific bridges while employing them as a metaphor for crossings to death (a sister ' s suicide), eros, and art. Part elegy, the book also explores living, remembering, and celebrating.

Confident or fretful, solemn or sassy, tough or tender, casual or formal: the self you project in writing—your persona—is the byproduct of numerous decisions you make about what to say and how to say it. Though any single word or phrase or sentence might make little difference within the scope of an entire essay or book, collectively they create an impression of who you are or seem to be—an impression that ' s sure to influence how readers respond to

your work. Thus it ' s essential to take charge of how you come across on the page, to craft an appropriate persona for whatever you ' re writing, whether it ' s a personal essay, a blog, a technical report, a letter to the editor, or a memoir. In this wise and ingenious little guide, noted essayist Carl Klaus shows you how to adapt your self to the needs of such varied nonfiction, by varying his own persona to illustrate the distinctive effect produced by each aspect and element of writing. Klaus divides his book into two parts: first, an introduction to the nature and function of a persona, then a survey of the most important elements of writing that contribute to the character of a persona, from point of view and organization to diction and sentence structure. Both parts contain exercises that will give you practice in developing a persona of your choice.

Challenging and stimulating, each of his exercises focuses on a distinctly different aspect of composition and style, so as to help you develop the skills of a versatile and personable writer. By focusing on the most important ways of projecting your self in nonfiction prose, you can learn to craft a distinctive self in your writing.

Is a career as a professor the right choice for you? If you are a graduate student, how can you clear the hurdles successfully and position yourself for academic employment? What's the best way to prepare for a job interview, and how can you maximize your chances of landing a job that suits you? What happens if you don't receive an offer? How does the tenure process work, and how do faculty members cope with the multiple and conflicting day-to-day demands? With a perpetually tight job market in the traditional academic fields, the road to an academic career for many aspiring scholars will often be a rocky and frustrating one. Where can they turn for good, frank answers to their questions? Here, three distinguished scholars—with more than 75 years of combined experience—talk openly about what's good and what's not so good about academia, as a place to work and a way of life. Written as an informal conversation among colleagues, the book is packed with

inside information—about finding a mentor, avoiding pitfalls when writing a dissertation, negotiating the job listings, and much more. The three authors' distinctive opinions and strategies offer the reader multiple perspectives on typical problems. With rare candor and insight, they talk about such tough issues as departmental politics, dual-career marriages, and sexual harassment. Rounding out the discussion are short essays that offer the "inside track" on financing graduate education, publishing the first book, and leaving academia for the corporate world. This helpful guide is for anyone who has ever wondered what the fascinating and challenging world of academia might hold in store. Part I - Becoming a Scholar * Deciding on an Academic Career * Entering Graduate School * The Mentor * Writing a Dissertation * Landing an Academic Job Part II - The Academic Profession * The Life of the Assistant Professor * Teaching and Research * Tenure * Competition in the University System and Outside Offers * The Personal Side of Academic Life

First published a decade ago, *A Writer's Book of Days* has become the ideal writing coach for thousands of writers. Newly revised, with new prompts, up-to-date Web resources, and more useful information than ever, this invaluable guide offers something for everyone looking to put pen to paper — a treasure trove of practical suggestions, expert advice, and powerful inspiration. Judy Reeves meets you wherever you may be on a given day with:

- get-going prompts and exercises
- insight into writing blocks
- tips and techniques for finding time and creating space
- ways to find images and inspiration
- advice on working in writing groups
- suggestions, quips, and trivia from accomplished practitioners

Reeves's holistic approach addresses every aspect of what makes creativity possible (and joyful) — the physical, emotional, and spiritual. And like a smart, empathetic inner mentor, she will help you make every day a writing day.
