A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Katie Nicholl, Royal Correspondent for the Mail on Sunday, has been at the centre of royal reporting since she joined the newspaper in 2001. There is no one who is more intimately acquainted with the lives and loves of Princes William and Harry. Katie has spoken to a wealth of contacts close to William and Catherine Middleton and reveals how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. Originally published to great acclaim in 2010 as William and Harry, Katie Nicholl has updated and added to her original account of the princes' lives and recounts the definitive story of William's royal romance with the young woman destined to become Queen Catherine.

An insightful biography about William and Kate ("the modern royals") and their family by the

"Godfather of Royal Reporting"!

More than two dozen colorful stickers feature renderings of the elegant William and Kate, Duke and Duchess of Cambridge, as well as dashing Harry and Meghan, Duke and Duchess of Sussex. The realistic images show the couples in their famously fashionable outfits, along with many royal accessories.

Packed with fascinating anecdotes, sharp analysis and exclusive photographs by a celebrated royal photographer, this title reveals the secrets of Prince William and Kate Middleton's royal romance.

In the decade since the wedding of the century captivated people around the globe, Prince William and Princess Kate have redefined the role of the royal family in our modern age. This lavishly illustrated collector's edition of PEOPLE looks at the couple's life today: raising their three children, Prince George, Princess Charlotte, and Prince Louis, and advocating for causes about which they care deeply: mental health access, early childhood, and the environment. Includes a detailed retrospective of their glorious wedding at Westminster Abbey, Kate's style evolution, and how she and William are preparing for a future as King and Queen.

Provides an inside look at Prince William and Kate Middleton, delving into both of their backgrounds, their relationship, and their engagement, in a book that also looks at William's relationship with his brother, Harry.

This book tells the story of Prince William's life concurrently with that of his now wife, Kate Middleton. It highlights their different backgrounds and concludes with their marriage and birth of their children. The book answers questions such as, How do you become a prince? and When might William become king?

William and Harry is a fascinating insight into the lives and loves of two extraordinary young men who have captured not only the hearts and minds of not only the British public, but those the world over. This is the definitive book about the princes, bringing their story right up to date. It is the tale of two brothers who have carried the legacy of their mother, Diana, Princess of Wales, into the twenty-first century and on whom the future of the House of Windsor largely depends. Drawing on her unique set of contacts Katie Nicholl recounts the royal brothers' extraordinary lives and reveals William and Harry's real characters as they become front-line soldiers and modern princes. Through her network of sources, some of which have agreed to speak for the very first time, Katie tells the story of one of Prince William's earliest romances, and his struggle with his destiny as a future King of England. As a royal wedding between Prince William and Kate Middleton seems more probable, Katie has spoken to a wealth of contacts close to the couple who reveal how their love affair really started at St Andrews, the hurdles the pair overcame and the challenges they still face. She recounts the story of Harry's time at Eton, his relationship with Chelsy Davy, and his three months he spent on the front line in Afghanistan. She analyses William and Harry's complex relationship with their father, and the woman who will one day become Queen Camilla. She talks to their friends, contemporaries and confidants to paint a unique and revealing portrait of the two most famous brothers in the world.
