The Barbican is the oldest part of Plymouth. The out edges by the harbour are being turned into flats. The inner streets are cobbled and lined with places to eat & drink. It's quite a small area of the town and it is difficult to social distance.

Dr Bob Rotella, author of half a dozen bestselling books on golf, including *Golf is Not a Game of Perfect*, brings together his skills and years of experience as a golf psychologist to give readers the insight they need to improve their game -- before they ever step up to the tee. At some point in playing the sport, whether they're competing on the professional tour or enjoying a day with their foursome on any public course, every golfer hits a snag in their mental game. Dr Bob shows readers how to emulate Tiger, become more comfortable with their own inner arrogance, how to learn from better golfers, and overcome fear. He teaches readers easy ways to talk themselves into feeling confident and provides a detailed plan that anyone at any level can use to build self-esteem both on and off the course.
