"New! An easy-to-use, alphabetical guide for creating rhymes. Features 55,000 headwords with pronunciations at every entry. Lists arranged alphabetically and by number of syllables, with thousands of cross-references to guide readers to correct entries."

This book aims to provide a one-stop reference with comprehensive and helpful advice on a very broad range of issues encountered when writing or editing, either professionally or whilst studying. A completely expanded, revised, and updated version of the first edition, it presents the house style of Oxford University Press, drawing on the experience of the Dictionary Department and the Press's in-house academic desk editors. It gives clear advice on common spelling difficulties, names of people and places, foreign words and phrases, abbreviations, and broad aspects of usage, including capitalization and punctuation.

Give students the targeted, skill-building practice they need with these standards-based books! Each workbook includes more than 40 ready-to-reproduce practice pages. Easy-to-follow directions and fun exercises motivate students to work on their own. Every activity in each book is correlated to state standards. For use with Grade 5.

Set of 1000 flash cards include color coded tabs to easily remove and replace cards in the proper section.

A definitive reference to English words and usage
